at [www.cid-portal.org](http://www.cid-portal.org)

Books, magazines and DVDs authored or edited by members of the International Dance Council CID at UNESCO are listed below. The list is posted on the CID Portal and circulated world-wide.

This results in :

1. **Better acquaintance** between CID members, once they know the research interests and publication achievements of each other.
2. **More sales**, since no publisher can have the wide contacts CID has within the dance world.
3. **Lower cost**, as readers can order books directly to publishers or even to authors.
4. **Feedback**, since authors can receive comments from their readers.
5. **Prestige**, as the public realizes the enormous intellectual production of CID Members: more than 650 books and over 40 magazines.
